## GENERAL INFORMATION

Following the adoption of Act No. 125/2008, the Icelandic Financial Supervisory Authority decided to take over the authority of Kaupthing Bank's shareholders' meeting, disqualify the incumbent directors on 9 October 2008 and appoint a Resolution Committee for Kaupthing Bank hf. that same day. After the entry into force of Act No. 44/2009, amending Act No. 161/2002, and upon a written request from the Resolution Committee, the Reykjavik District Court appointed a Winding-up Committee for Kaupthing Bank hf. on 25 May 2009, cf. Point 4 of Temporary Provision V. of Act No. 161/2002.

The reference date is 15 November 2008, cf. Temporary Provision III of Act No. 44/2009. Kaupthing Bank hf. was originally granted a moratorium, as provided for in Act No. 129/2008, on 24 November 2008. The commencement date of winding-up procedures during the moratorium is 22 April 2009, cf. Point 2 of Temporary Provision V of Act No. 161/2002. ## FRESTUN AFSTÖÐU OG KRÖFUHAFAFUNDUR

Vegna fjölda lýstra krafna er óhjákvæmilegt að fresta því að taka afstöðu til tiltekinna krafna á hendur bankanum, eins og skrá þessi ber með sér. Kröfuhafafundi til að fjalla um lýstar kröfur verður framhaldið þriðjudaginn 18. maí 2010, kl. 10:00 á Hilton Reyjavík Nordica, Suðurlandsbraut 2, 105 Reykjavík. Á þeim fundi mun slitastjórn kynna afstöðu sína til krafna sem ekki verður búið að taka afstöðu til fyrir fundinn 29. janúar 2010, að því leyti sem unnt er.

Slitastjórn ráðgerir jafnframt að halda framhaldsfund öðru sinni síðar á árinu 2010 þar sem frekari afstaða til krafna verður kynnt. Slitastjórn mun leitast við að ljúka yfirferð krafna fyrir þann fund. Með vísan til lokamálsliðar 1. mgr. 119. gr. laga nr. 21/1991, um gjaldþrotaskipti, verður ekki tekin afstaða til lýstra eftirstæðra krafna skv. 114. gr. sömu laga.

## POSTPONEMENT OF DECISIONS AND CREDITORS' MEETING

The large number of claims lodged against Kaupthing Bank hf. has necessitated postponing decisions on certain claims. A follow-up creditors' meeting to continue discussion of lodged claims will be held on Tuesday, 18 May 2010, at 10:00 AM at Hilton Reykjavik Nordica, Sudurlandsbraut 2, 105 Reykjavik. At this meeting the Winding-up Committee plans to present its decision on claims on which a decision has not been made prior to the meeting on 29 January 2010, insofar as it is possible.

The Winding-up Committee, furthermore, plans to hold a second follow-up creditors' meeting in 2010 to continue presentation of its decisions on lodged claims. The Winding-up Committee will attempt to conclude its decision on all claims prior to that meeting. Having regard for the final sentence of the first paragraph of Art. 119 of the Act on Bankruptcy etc., No. 21/1991, no decisions will be taken on subordinate claims, as provided for in Art. 114 of Act on Bankruptcy etc., No. 21/1991.

## WikiLeaks & The Sunshine Press

<http://sunshinepress.org/>

The document you have been reading was passed to us by an individual stepping forward to reveal the truth or preserve the integrity of the historical record. WikiLeaks is acknowledged to be the most successful defender of confidential sources and the public's right to know. If you have confidential material, contact us securely at:

<https://secure.wikileaks.org/>

Our publisher, The Sunshine Press, is an international non-profit organization funded by human rights campaigners, investigative journalists, technologists, lawyers and the general public. Since 2007 we have exposed thousands of military, political and corporate abuses—fighting off over 100 legal attacks to do so. No WikiLeaks' source been ever exposed and the organization has yet to lose a legal case. Our disclosures have triggered many reforms, including the removal of two corrupt national governments. We have found that knowledge is suppressed because of its power to change and that only new knowledge brings meaningful change. Ultimately, the quality of every political, economic and personal decision depends on understanding the world and how it came to be that way. By revealing the true state of our world, through millions of pages of suppressed information, we are creating the primary ingredient for a better civilization. Although our work has won many awards, it is your strong support that preserves our continued independence and strength.
